

Jerry Sutherland Interest: Recognized Environmental Representative for the State as a Whole
1936 SE 41st Avenue
Portland, OR 97214

Occupation: Heating and Air Conditioning Sales

Mr. Sutherland has extensive knowledge of the Steens and southeast Oregon and has led trips in the Steens Mountain, and Trout Creeks and Pueblo Mountains area. He was active in working with other environmental groups as a representative of the High Desert Committee of the Oregon Chapter of the Sierra Club in the Steens-Alvord Coalition to assure ecological considerations. He worked on the BLM's national OHV strategy, developed comments on Environmental Impact Statements and Environmental Assessments as well as the Draft Southeast Oregon Resource Management Plan, and is familiar with the issues facing the Steens.
